PROFESSIONAL SUMMARY

Detail-oriented Computer Science undergraduate specializing in Data Science, with hands-on experience in Python, Machine Learning fundamentals, and Data Structures & Algorithms. Proven ability to design data-driven applications and solve complex problems through internships and academic projects. Seeking Data Science or Software Development internship and entry-level opportunities.

TECHNICAL SKILLS

Programming	Python, C++, C, Java
Machine Learning	Data Preprocessing, Model Evaluation, ML Fundamentals
Data & Analytics	MySQL, Power BI, Excel
Web Technologies	HTML, CSS, JavaScript
Core CS	Data Structures & Algorithms, OOP

INTERNSHIPS & TRAINING

Cipher Schools – Data Structures & Algorithms with C++ | May 2025
Solved structured DSA problems involving arrays, linked lists, trees, and sorting techniques, strengthening algorithmic efficiency and logical reasoning.

CSE Pathshala – C Programming Fundamentals | Mar 2024
Completed intensive live training covering core programming concepts and implemented mini-projects to strengthen procedural programming skills.

PROJECTS

Agriculture AI Chatbot | Mar 2025
Developed an AI-powered chatbot to assist farmers with crop planning and yield estimation by analyzing inputs such as land size and crop type. Implemented ML-based logic to provide fertilizer recommendations, profit analysis, and farming insights.
Tech: Python, Streamlit, Machine Learning.

Health Monitoring System | Apr 2023
Designed a health monitoring solution using biomedical sensors to measure pulse rate and vital parameters, applying real-time signal processing techniques for accurate readings.

CERTIFICATIONS & ACHIEVEMENTS

- NPTEL Certification – Social Networks
- FreeCodeCamp – Responsive Web Design
- Solved 200+ DSA problems across coding platforms
- Top 5 Performer – Coding Ninjas Hackathon

EDUCATION

Lovely Professional University, Punjab
Bachelor of Technology – Computer Science & Engineering (Data Science)
CGPA: **6.6** | 2023 – Present

Sri Viswa IIT Junior College, Visakhapatnam
Intermediate | 85% | 2021 – 2023
